

Consent: Hello, my name is _____. I am calling from the Ranchi office of IFMR, an organisation that conducts research on various issues such as poverty, education and health. We are conducting a survey to understand the health and nutrition status of mothers and children in Jharkhand. If you remember, we had called you last month to collect information about consumption and expenditure.

If you agree to be in this study then,

1. We will conduct a survey with you which will focus on consumption, banking, child health, expenditure and empowerment
2. The survey will take 20-30 minutes and all your personal information will be kept confidential
3. We will be giving you a mobile recharge of Rs. 100 or Rs 100 as a UPI transfer (based on your preference). This amount will be given to you even if you refuse to participate in the survey

Can we talk to you for 20-30 minutes? [If yes] We would also like to record the call for monitoring purposes. Can we record this call?
